

Kiwi Extract: Packed with essential vitamins and antioxidants, kiwi extract helps to brighten and revitalize the skin. Its natural enzymes gently exfoliate dead skin cells, promoting a smoother and more radiant complexion. Kiwi extract also aids in reducing the appearance of blemishes and improves overall skin texture.

Aloe Vera Extract: Known for its soothing and healing properties, aloe vera extract provides intense hydration and calms irritated skin. It helps to reduce redness, inflammation, and dryness, leaving your skin feeling moisturized and supple. Aloe vera extract also helps to promote a healthy, youthful glow.

Walnut Powder: Walnut powder acts as a gentle exfoliant, effectively removing impurities and dead skin cells. Its finely ground particles provide a gentle yet thorough scrub, revealing a fresher, smoother complexion. Walnut powder also helps to improve blood circulation, promoting a healthy glow and even skin tone.

Aqua: Aqua, or water, is a vital component in our scrub, offering hydration and promoting moisture retention in the skin. It helps to replenish and rejuvenate, leaving your skin feeling refreshed and revitalized.

How to Use:

Wet your face or body with water.

Take a small amount of the Kiwi Face and Body Scrub and apply it to your damp skin.

Gently massage in circular motions, focusing on areas that require exfoliation.

Rinse thoroughly with water and pat your skin dry.

For best results, follow with a moisturizer.

Our Kiwi Face and Body Scrub is suitable for all skin types and can be used on the face as well as the body. Incorporate it into your skincare routine to unveil a smoother, more radiant complexion with a healthy, youthful glow.

Experience the refreshing and invigorating benefits of our Kiwi Face and Body Scrub today. Treat yourself to the nourishing properties of kiwi extract, aloe vera extract, walnut powder, and aqua for a revitalized and rejuvenated skin. Discover the natural beauty within you.
